

Second Grade News

Places to Go- Things to See

The second graders have been busy working on their service project for Easter. We wrote letters to area businesses asking for help with filling Easter baskets for God's Kitchen.

D&W at Breton Village was the first to respond. They are giving us a \$50 gift certificate to buy things we need to fill the baskets. The class will walk down to D&W on Thursday, March 8 pending good weather. I would like at least 4 chaperones to help us cross Burton Street.

Once we are there, we will shop for the items that we feel the children

would enjoy getting. We will talk about coupons and looking for things that are on sale.

We are waiting for bus approval on another field trip—March 19 to Pietros. They will give us a behind the scenes tour of what makes a business work. We will see how they make and dry pasta. We will also be making our own pizzas. The chefs will show us how to throw the dough in the air. We will make our own pizzas and have a soft drink to go with it. The children will pay for their portion with the profits from their business. I am

asking the chaperones to pay for their own lunch please.

Please consider joining us for these events.

Pizza for you,
Pizza for me,
We are as happy as can be!

St. Paul the Apostle School

Mrs. Swain

February 3, 1012

Special points of interest:

- ☺ Monday, Feb. 13—Pizza hot lunch. Second grade parent helpers needed!
- ☺ Tuesday, Feb. 14—Valentine's Day parties at 2.
- ☺ D&W permission slips sent home today.
- ☺ Report cards sent home today. Conferences are optional. Please send forms in ASAP. Wed. we are setting up conferences.
- ☺ Wed. Feb. 15—salt dough makers needed.
- ☺ SPAuction- Friday- Feb. 10! Volunteers have been busy working many hours. It will be an event you do not want to miss!

Help Needed for Topographical Maps

Next week we will be learning about different types of landforms. We will be making salt dough maps on Friday that will depict all the landforms and bodies of water that we will be studying.

I will need help with make the salt dough on Wednesday afternoon, Feb. 15. It is very easy. Mix two cups flour, one cup salt with one cup water.

If anyone has squares of cardboard, flour or salt to donate, it would be appreciated. Thanks.
