Parent Household Income Survey

The information collected below is read only by the principal. After the principal's review, names are blacked out and remaining information is kept within a confidential file for use in applying for, and documenting eligibility for, federal funding programs. These programs help St. Paul the Apostle School to pay for various things like phone and internet. Your willingness to participate confidentially in this process allows us to access more potential resources. Thank you.

Parents' Last & First Name(s): _____

Number of Family Members in Household: Adults _____ Children _____

Add up your household annual gross income. Please include:

1. All earnings (wages, salaries, commissions, tips)
2. All welfare, child support, and alimony
3. All pensions, retirement, social security benefits
4. All workman's compensation, union or unemployment benefits
5. All forms of disability payments
6. All special subsidy payments
7. All dividends or interest income

After totaling income from all sources listed above, please indicate with a checkmark (✓) if your household income falls within the federally set low-income guidelines for Fiscal Year 2011-2012.
