3320 W. Saginaw (517)886-4800 Lansing, MI 48917

Dear Parents,

As many of you might know by now, Brad Kamphuis of Educational Outfitters in Grand Rapids was killed in a car crash in late May. His family has decided not to keep the store open and is in the process of liquidating the equipment and inventory. My name is Vickey Wegener and I own the Lansing franchise of Educational Outfitters. Brad's family and the corporate office of Educational Outfitters have asked me to work with the schools that used Educational Outfitters to supply school uniforms. I have been in contact with your school and we are moving forward to make the transition as easy as possible. By using a combination of several local fit days, on-line or telephone ordering and free delivery, coupled with savings incentives we've put together a workable fulfillment plan.

Enclosed you will find your school specific catalog detailing the clothing available and the current pricing. We will be offering free embroidered logos ordered at any of the fit days or ordered on-line June 28 to August 7. Additionally, when you order a bundle of 3 tops and 3 bottoms you'll save 12%. Please see the attached flyer for fit day times, location and more bundle information. We will have all participating school clothing at each fit day, so you may come to any of the 5 scheduled at your convenience. Fit days will also include the opportunity to purchase liquidation items on a first come first serve basis at special values. When your order is complete, we will deliver free to your school and contact you via email or telephone for pick up.

If you pre-purchased any Educational Outfitters gift certificates or scrip and haven't been reimbursed, please call Educational Outfitters in Grand Rapids at 616-531-7592 and leave a detailed message. You will be contacted and arrangements will be made to reimburse you.

Thank you. Please call me at 517-886-4800 should you have any further questions.

Sincerely,

Vickey Wegener
