Old Business:

Catholic Schools Week: Catholic Schools Week started off smoothly, however a few activities were cancelled or postponed due to the snow days. The school donated over 244 mittens, gloves and socks to 'In the Image'. The kids enjoyed their wonderful lunch and many goodies on Friday. Thanks to all the volunteers for making this event happen.

New Business:

Ice Skating Party-Chris Russo has volunteered to greet SPA students into Patterson Ice Arena, and collect money. Also, we have parent volunteers to skate on the ice along with the students.

Teacher Appreciation Week- Plans were reviewed for this event.

Mini Grants-Several grants have been received and are still in the approval process.

Shrove Tuesday-Shrove Tuesday will be March 8th. H & S will provide the meat for the breakfast again this year. We will verify that the 7th grade parents will prepare the breakfast and 8th grade students will serve it. Amy Quillan has offered to pick up the decorations. We will verify the budget with Denice for this event.

Fund-Raisers:

Used Book Sale-Tentative dates for this sale will be March 26, 27, 28, and 29. H & S will meet with Lori Salva to present the idea and seek approval for this event. After the dates and event has been approved, we will meet to discuss the details and volunteer opportunities.

Garage Sale- The garage sale chairs will be invited to our next meeting for an update.

Art to Remember- Emily Teed has been working with the students on their projects. The order forms, and art work should be coming home soon.

Next meeting: March 15, 2011 6:30pm. Everyone is welcome!
