

# What is Scrip?

## St. Paul the Apostle Scrip Program SPAScrip@gmail.com

Scrip is just another term for gift cards. Scrip fundraising is an easy, no-selling program that allows families to raise money for non-profit organizations (NPOs) by using gift cards, or scrip, to pay for everyday purchases.

Families buy gift cards at face value from their NPO, and the NPO purchases them for less than face value through Great Lakes Scrip Center. The NPO keeps the difference, and that's how money is raised.

Families raise funds while they shop by using gift cards instead of cash, checks or credit cards at their favorite retailers. With a huge variety of brands to choose from, scrip makes an easy addition to any shopping routine. Just by regularly using scrip for their weekly purchases, a single family can generate \$500 or more in rebates in one year!

## THE APOSTLE SCHOOL

### **Enroll in St. Paul the Apostle's new, easy fundraising program** ***No selling. No additional purchases. Just lower tuition costs!***

This fall, we are overhauling the fundraising program to make it even easier for families like you to earn credit toward your tuition payments at St. Paul the Apostle School or Catholic Central High School. We will be offering some great local products that haven't been available before, including Meijer, Schulers and Culvers. Plus you will have the convenience of easy ordering every morning on school days at the Scrip To Go sale, and access to the complete offering of retailers on ShopWithScrip.com. Sign up today and discover how simple scrip fundraising can be!

You can buy your scrip two ways. Firstly, you can buy from our inventory of gift cards, and these Scrip To Go sales will be available in the kitchen from 7:30 – 8:30 a.m. on school days beginning Tuesday, September 6th. Just stop by and pick up what you need! The second way to purchase scrip is at ShopWithScrip.com, Great Lakes Scrip Center's online shopping website. Once you set up your free account on ShopWithScrip using our enrollment code, you'll be able to order from the complete list of products, including ScripNow! downloadable eCards and card reloads. If you order on ShopWithScrip and pay online using PrestoPay, or drop off your check at the Scrip To Go sale by 8:30 a.m. Monday through Friday, your scrip will be available that same afternoon!

This scrip program is designed to fit into your routine, including how you choose to pay. You can pay for your gift cards by check, or by using the convenient electronic payment method called PrestoPay. It's simple and secure to transfer funds online, and it makes scrip ordering so much faster.

It's a great time to get earning with scrip fundraising. Opt to count your rebates toward your child's tuition, another family's tuition credit, a donation to the school, or split the funds between multiple options. It's up to you! You keep 85% of the total rebates you generate, and a small 15% administration fee will go to St. Paul's to fund all the new developments that make this introductory program so convenient.

It has never been easier to start fundraising while you shop.
