## More to love about PrestoPay:

### Convenience fee dropped to just 15 cents!

PrestoPay is the ShopWithScrip service that lets you pay for your online scrip orders just by entering your secret PIN number. That means ScripNow! and reload orders happen without even a visit to the scrip store. The ease and convenience of PrestoPay can't be beat! Stop by the SPA Scrip Store and we'll show you how.

## Fill Your SPAuction Class Gift Basket With Scrip

During November, SPA parents will be collecting for themed gift baskets to donate to SPAuction. Themes include "Cooking", "Movie Night", "Summer Fun", "Sports" and more. Whatever your theme, you'll find a gift card for that theme at our scrip store or online at ShopWithScrip.com
