

S³ Order Form

(S³ = Summer Skills Sharpener)

It's BACK!!! S³ is our Diocesan summer skills program! Parent and child set the pace for this review and maintenance program. Each grade level provides a 20-day review of essential academic skills in:

- Math, reading, and more! (5th - 8th grade program also includes science).
- Grade level specific; matches Diocesan curriculum.
- Supply list includes a few ordinary items and one or two books.
- Answers are provided in an envelope.
- Activities will help create fun learning interaction between parent and child.

The content of the nine different grade level programs may differ. However, every grade includes instructions for at least one good book to read (available for purchase or at the local library) and basic math skills reinforcement.

Choose the program of your child's current (2010-2011) grade level. Each grade level program is \$14.00. If you would like a book with your Summer Skills Sharpener program, total program cost is \$17.50. Payment is required to place an order. *Last orders are due by Friday, June 3, 2011.* If received after June 3, 2011, total program cost is \$20.00
