

WANTED: SHOES!

ISN'T TIME TO DO SOME FALL CLEANING ANYWAY?

The Power of Education for Haiti project is in dire need of *black, close toed shoes* for its students. The school is open, teachers are ready, but unless they have the required shoes they cannot attend school. Please help us help them! On **Tuesday, Wednesday, and Thursday of next week**, we will collect new or gently used black close-toed shoes for boys and girls in sizes 11-7 in the parking lot at drop off.

Any questions – call Katie @942-1920. Thanks!!!
